# Nike Retail Gift Cards

“Paper or Plastic” has taken on a new meaning as America has embraced gift cards as a way of life. Over one half of all incentive programs include gift cards as an option. In the 2005 holiday season gift cards surpassed all other merchandise as the number one gift item.

Gift Cards are the perfect solution for corporate gift giving programs where size and fit are hard to determine or if the end user is unknown.

They can be issued in \$5.00 dollar increments from \$25.00 up to \$500, and do not have an expiration date. Card holders can check their balance on-line.

Nike Gift Cards are redeemable on line at Nike.com and NikeiD.com as well as the following Nike Retail outlets -
